Works by six Acclaimed Chicagoland Artists
August 1– 31, 2019 on the Historic Woodstock Square
*Gala Reception held Friday, August 9, 6 - 9 p.m.***

Woodstock, IL, June 30, 2019 — E*, formerly e-artgroup, is presenting *Bridge*s*, a themed all media art exhibition in conjunction with the Old Courthouse Arts Center in Woodstock, IL.

Bridge*s showcases six Chicagoland artists working in paint, photography, and mixed media. Participating artists include; Lisa Beard, Bert Leveille, Nancy Merklung, Caren Helene Rudman, Nan Seidler and Victoria Senn. The subject matter — bridge*s, is as varied as the mediums each artist uses in their art practice. Bridge*s offers art enthusiasts an opportunity to explore innovative art, and multiple interpretations of bridge*s — literally, socially, morally, psychologically...

Bridge*s is the collaborative brainchild of E*, a local, professional artist collective that has been exhibiting and curating together for more than ten years throughout the Chicago metropolitan area. E* is dedicated to exhibiting and growing artistically — planning and presenting exhibitions since 2007.

In 2018 the E/artgroup became E*.

E* is now presenting smaller curated exhibits, giving individual E/artists more opportunity for developing smaller diversified exhibits as well as juried and/or larger exhibits.

The first E* exhibit was presented by E* artists bert leveille, Victoria Senn and Sarah Hahne in 2018 — “STREAMING REFLECTIONS”, two solo exhibits: E* artist bert leveille and invited artist, Jeane Kat McGrail. More info on Bridge*s at: http://www.e-artgroup.com/exhibits_Bridges.html
